21.	Ms. Tanya Sharma	MBBS Student Class Representative (2022 Batch)	Member

Systematic and periodic guidance and counseling will also be provided by the counseling cell to those students who have specified difficulties either in academic or professional affairs.

This committee also has the unique responsibility to act as an interface between the management and students. The committee administers and makes decisions concerning student welfare, taking up issues reported by students and resolves them by bringing it to notice of the board.
